Dear Sarah and Victor,

I am writing to formally announce my resignation from my role as Senior Analyst at GEG, effective as of February 29, 2024, which will be my last day.

I would like to express my deep gratitude for the privilege of being a part of one of the finest companies in the industry. My tenure at GEG has been exceptionally rewarding and educational, and for that, I am immensely thankful.

The decision to move on from this role did not come easily and followed considerable reflection. However, I am confident that this is the right choice for my career journey.

As I transition out of the company, I would greatly appreciate it if you could provide me with a letter of reference. A testimonial from you would be invaluable to me as I progress in my professional path.

I wish to extend my sincerest appreciation for all the opportunities for growth and development that I have been afforded. My experiences at GEG have significantly contributed to my professional growth, and I am truly grateful for the support and guidance I have received during my time here. Thank you all.

Best regards,

Kim King Ho Wong
